RE: Residential Garbage Collection

Dear City Resident:

I hope this finds you well. I know that we all want to keep Lenoir City clean and beautiful, and it is part of our job to ensure that we do so. It has recently come to the attention of the Mayor and City Council that there is an issue with residential garbage not being stored properly, leading to garbage being scattered around our back alleys, etc. and proving to be difficult to collect (photographs included).

In order to improve on this issue, we are requiring that after August 1, 2022, all residential garbage must be placed inside a closed and tied bag and inside an unbroken plastic container with a lid (preferably an attached lid).

If you are interested in purchasing a garbage container from the City's garbage collection contractor, you may call Brewster's Services Group at 865-458-8887, or you may purchase a plastic garbage container from a store.

Please note that non-compliance will be addressed accordingly.

If you have any questions, please contact me at 865-986-2715.

Thank you,

A handwritten signature in blue ink that reads "Amber Scott".

Amber Scott
City Administrator
