

****PRESS RELEASE****

“HELP CLEAN-UP LENOIR CITY DAY”

After the recent changes in how we conduct garbage collection, I wanted to see, first-hand, what our City crews experience on a daily basis on their routes. How do you get an understanding of that? You get out there with them! I have always said that I would never ask someone to do any task that I would not do myself. I realize that our Public Works crews go above and beyond for our citizens every day, and I thank every one of them for the job they do!

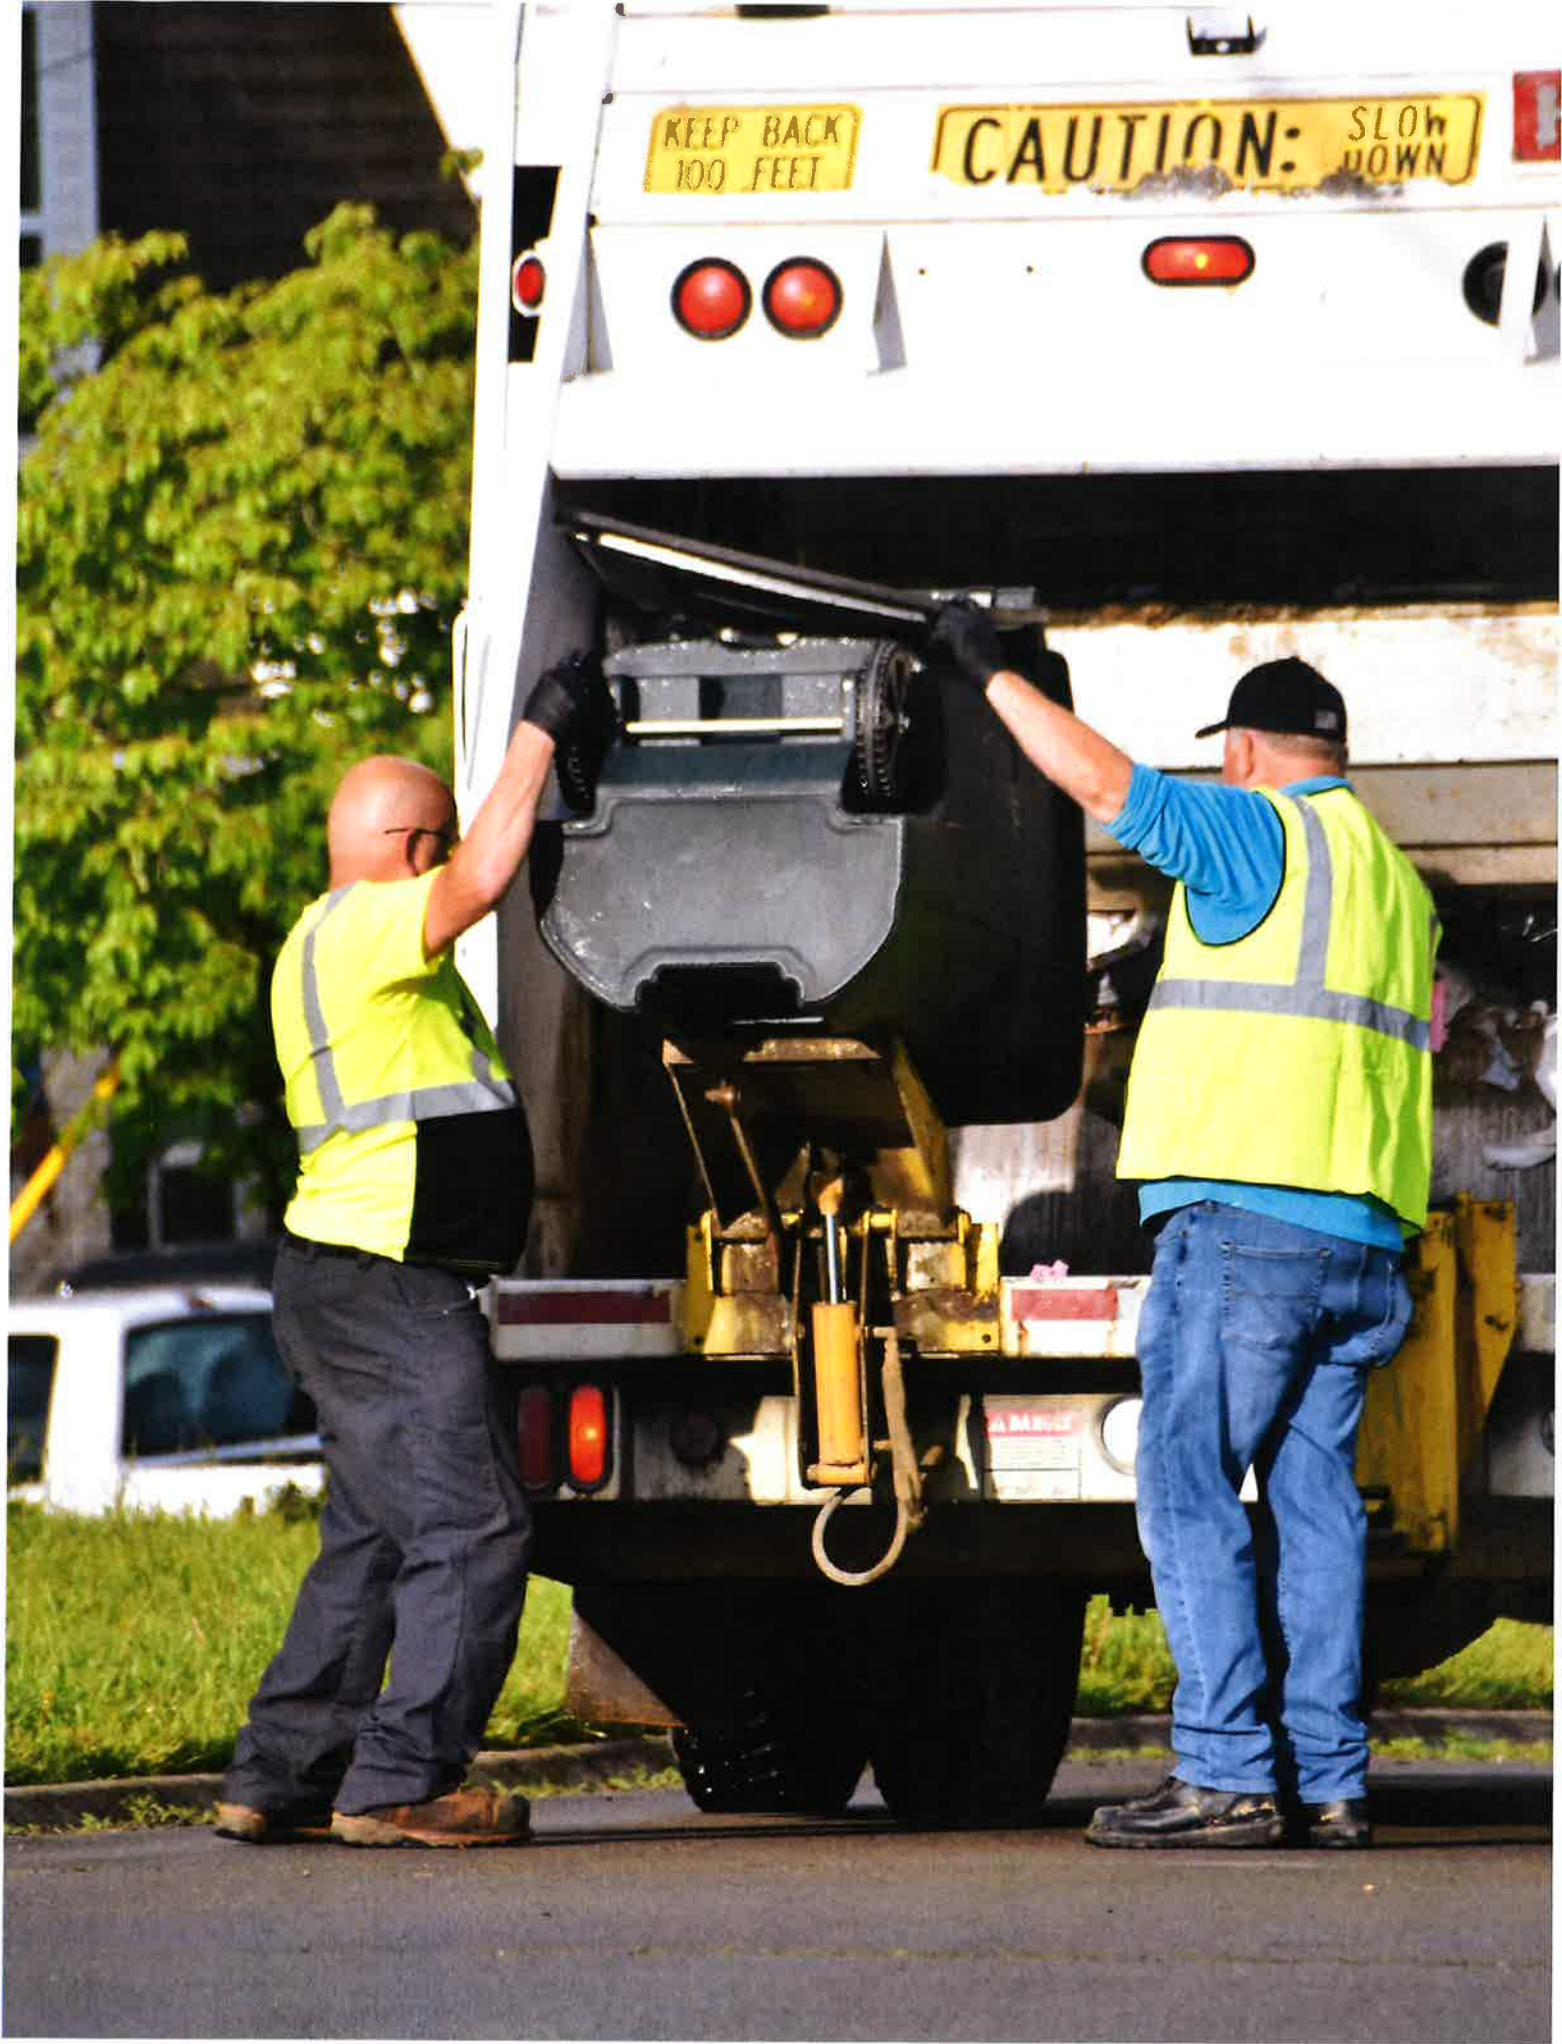

That being said, I am letting everyone know that we are hosting “Help Clean-Up Lenoir City Day” on Saturday, June 10, 2023 from 7:30 AM to 2:00 PM. Volunteers are needed for that day! The City will provide bags and gloves to use. Also, Moneymaker’s Wrecker Service will be offering to pick up and dispose of any unwanted vehicle that you may have free of charge that day. We would like to thank Robert Moneymaker for this service!

If you are unable to volunteer on that day, but you’d like to participate by cleaning up your own yard, you can just place your debris on the side of the street or in the alley and let us know it is there by calling 865-986-2715, and we will pick it up for free the following Monday.

Volunteers will meet at the Lenoir City Street Department Garage located at 210 South C Street at 7:30 AM on Saturday, June 10, 2023 for instructions and zones for pick-up for the day.

Please come out and help your community by picking up litter!

Thank you!
